

Product Data Sheet

Main

Model Number	PE-WP-403020-H
Enclosure type	Multi-purpose
Category	Weatherproof Enclosure
Nominal height	400 mm
Nominal width	300 mm
Nominal depth	200 mm
Product installation	Wall-mounting
Device composition	1 body 1 door 1 lock/door

Complementary

Door type	Plain
Number of doors	Front face: 1 door(s)
Door opening side	Right to Left
Lock type	Quarter Turn Lock
Mounting plate description	2mm Thickness mounting plate Material- Galvanized sheet
Type of gland plate	3mm Thickness gland plate
Accessibility for operation	Front
Removable parts	Door by hinges
Material	Body and door: SS316L/SS304 Lock: Quarter Turn 316 L Hinge: stainless steel 316L & 304
Surface finish	Body and door: Brushed Finish Lock: Stainless Steel
Thickness	1.5 mm Body, 2mm Door
Temperature Range of Gasket	- 40 ~ +80 °C
Net Weight	10.20 kg (Approx)

Certifications

Compliance	CE Certified, IP66 & IK 10 as per IEC 62208:2011 / EN 62208:2011
Quality Assurance	ISO 9001-2015
Traceability	Unique Serial Number
